What do you get when a local Italian family gets together to build a restaurant? You get The Bistro by Pizza Joe's just outside of Saxonburg.

Frank Frascchetti and his family have teamed up to give our community a new Italian flavor. Frank's mother has brought her homemade recipes for soups and other Italian delights including pasta for a most delightful dining experience. You'll enjoy very comfortable booths and tables, ceramic tile floors, bronze ceilings, a 40-foot stone wall with fireplace and waterfalls and great background music.

Mr. Frascchetti has spared no cost to give the customer the best dining experience possible while providing the best of Mama Frascchetti's culinary delights. You get a menu full of the best of Pizza Joe's, as well as an assortment of homemade Italian dishes such as meat or cheese ravioli, chicken Parmesan, and pasta choices including penne or cavatelli, lasagna rollups, all covered in Mama Frascchetti's freshly made sauce.

If you are looking for a great, handmade pizza, The Bistro uses fresh dough made daily, topped with the freshest of toppings. All of which give you the best pizza in the Butler area. For those that have problems with gluten, The Bistro offers gluten free pizzas, pastas and wedges as well. All this can be yours by visiting The Bistro by Pizza Joe's!

The Frascchetti family would like to welcome you to our Italian Bistro by Pizza Joe's. Here you will experience homemade food, great service & hospitality.

Thank you for dining with us.
