

Clear Choice Enterprises

Real Estate Sales & Service

After more than a decade working in real estate, Pete and Julie Sebock struck out on their own and established Clear Choice Enterprises in 2011. With their years of experience in the industry, along with their clear understanding of the mindset of home buyers and sellers and a thorough awareness of the regional marketplace, Clear Choice Enterprises has prospered and grown.

In addition to overseeing the day-to-day business of a successful real estate firm, the Sebocks are both active in professional organizations, including the Butler County Association of Realtors, the Pennsylvania Association of Realtors and the National Association of Realtors.

Julie currently serves as treasurer of the Butler County Association of Realtors and she's the chair of the Butler County Association's Young Professionals Network. On the state level, she is one of only 15 Pennsylvania realtors – and the only one from Butler County – chosen to participate in the Pennsylvania Association of Realtors Leadership Program.

Pete is the Butler County representative to the Pennsylvania Association of Realtors Young Professionals Network and he's currently serving a three-year term on the Pennsylvania Association's Political Action Committee.

In addition, both Pete and Julie serve on the Pennsylvania Association of Realtors Professional Standards and Grievance Committee.

Call on Pete and Julie Sebock and their team of licensed real estate professionals for all of your real estate needs. It's the Clear Choice.

In 2016, Clear Choice Enterprises continued its impressive growth with the establishment of a branch office on 1407 Seventh Avenue, Beaver Falls, Beaver County.

This is the most wonderful group of agents I have ever had the pleasure of working with! Julie and Pete are so knowledgeable and friendly! My husband and I were ready to sell our house and Julie and Pete made that happen! In that same process they also helped us find the perfect house to call home and raise our growing family! We have been here almost three years now and without them our dream wouldn't have ever become reality. There were so many little difficulties and bumps in the road and they were there to point us in the right direction every step of the way. I'd refer this group of fantastic people to anyone! It felt like we were working with family and friends! Thanks Julie and Pete Sebock!
