A Butler Favorite for Breakfast, Lunch & Dinner!

Burger Hut has been a family affair for the past 59 years. Current owner, Mark Denny handles general management. His wife, Patricia is the bookkeeper and their daughter, Mercedes, is now a server at the popular restaurant. Burger Hut has become well known for it's great food, friendly service and pleasant atmosphere for Breakfast, Lunch and Dinner. If you like breakfast, you'll love their Country Eggs, Huge Fluffy Pancakes, Fresh Ground Sausage, Hand Slashed Potatoes and Strong Coffee. They are famous for their fresh burgers.

There are many varieties to suit your taste including the Olive Burger, Pepper Burger, Bleu Cheeseburger with Bacon, Bacon Cheeseburger, Denny Burger, Latin Burger, Mushroom Burger, Egg Burger and the famous Dagwood, to name a few. While its burgers have always been a hit, Burger Hut is also the place to go for a great hot dog with "mouthwatering" chili sauce. If you want fries and gravy with that, bring your appetite. You will get generous portions and it's not likely you will leave hungry. Homemade salads are also a popular item. Both Burger Hut locations feature daily specials and everything is available for take out. Call ahead and your meal will be hot and ready when you arrive.

Locally owned, local employees, local dealers and many loyal customers make Burger Hut a Butler County favorite.
