

TRADITION IN EXCELLENCE

SheLor School of Dance, A 33 Year Tradition!

SheLor evolved through the love of dance and was inspired by the loss of Miss Lori's late sister, Shelly Portman, an accomplished dancer and her late mother Rosalie Portman. Rosalie served as dance manager for 20 years until her passing in 2010. Their memories will remain an ongoing inspiration at SheLor.

Miss Lori's family continues to be a major support in the dance studio; her husband Jim Lewis and father A.J. Portman. Miss Lori also has a daughter Lucy Lewis, 17, who expresses her devotion and love of dance through her talent and involvement.

SheLor opened its doors in Lyndora, in what was the old Lyndora Presbyterian Church in 1984 and since has moved in 2001 to Fairground Hill Road in a large, modern, state-of-the-art 3 studio facility with all the conveniences including a dance apparel shop and spacious parking for accommodating its students & parents.

SheLor emphasizes...dance education of students is not and should not be limited to only the student of excellence. "Dance can be a wonderful source of accomplishment and enjoyment" therefore SheLor nurtures every student in the "art of dance". For thirty-three years students have not only learned the art of dance but have grown physically and emotionally by the discipline that dance training requires and are better prepared for life's challenges.

SheLor is proud to have an established, long-standing, educated and degree prepared teaching staff who work to ensure exceptional training of the dance student.

SheLor's dance program is devoted to all levels from Recreational to Pre-Competitive & Competitive groups. The program offers study in all styles of dance; Ballet, Pointe, Tap, Jazz, Modern, Contemporary and Acrobatics/Gymnastics.

SheLor also offers a certification program in classical ballet training through the Royal Academy of Dance, (RAD). Miss Lori is a certified and registered teacher of RAD for over 25 years.

The dance curriculum is designed to allow students to graduate to levels that may offer certification in ballet & graduate to competitive levels. SheLor School of Dance embraces their students and parents. Communication & discussion of the students is ongoing & Miss Lori's stands by "an open door policy"

SheLor is proud to say 100's of students have examined in the RAD classical ballet training. This year alone, SheLor certified 50 students in grades 2, 3, 5 and 6 syllabus level of RAD. Additionally, competitive students have achieved high honors through regional and state competitions and even a world nomination.

SheLor has dance recitals every other year alternating with a winter show at the Succop Theater. SheLor will be holding it's next Recital in June of 2018. Pre-Competitive and Competitive groups enjoy participating in the Butler Christmas Parade annually. SheLor is always open to serving the community and welcomes opportunities to entertain or provide education to all. SheLor will continue to welcome all students and nurture their love of dance.
