

## Lucky with Family

Nonni puts her all into everything she makes. From her signature tomato sauce and tender meatballs to her hearty, split-pea Minestrone, she prepares everything with family in mind - hers and yours.

Nonni's menu cornerstone is her outstanding tomato sauce. Chicken and Eggplant Parmesan coated in Nonni's seasoned breading are southern Italian essentials. Lasagna with layers of pasta, cheeses and seasoned meat baked to perfection embody many Italian flavors in a single dish. And, of course, Nonni's spicy sausage is served on a warm Italian roll, or added to any of their pasta dishes, is a perfect example of the rustic flavors her family enjoyed in Italy and in America.

Nonni has learned from the skillful hands of her Sicilian-born grandmother, Nonni brings generations of recipes to life. As a native of Clearfield, Pa., Nonni (Helena Valenza) managed her father's Italian restaurant for over 30 years - a town landmark for nearly five decades. Likewise, her daughter, Camille Valenza-Hazelton, and her son, David Valenza, enjoyed the benefits and influence of a rich Sicilian heritage and the restaurant.

Nonni's sous and pastry chef, Camille creates entrée specials and delectable desserts. Her Chestnut Soup has become a patron favorite. Her sauces are fantastic. Scrumptious desserts include award-winning cakes, cannoli, Tiramisu, cheesecakes and locally made gelato. Camille, with her husband, Andrew, and two children are happy to claim Grove City as their home for 16 years.

Nonni's son, David proudly serves as the restaurant's owner, general manager, and roundsman. His homemade pasta is a popular menu selection. He, his wife, Susann, and their two children enjoy the beautiful setting of Grove City, Pa., as a wonderful blessing.

Nonni's unparalleled, full-service catering offers wonderful cuisine, gracious presentation and exceptional service. They will help make your wedding reception, family gatherings, and all your events, very special. For area businesses, they reliably manage corporate catering including conferences, meetings, and happy hour lunches and dinners at your location or at hotel venues.
