STYLING SALON

2017 is a banner year at Double Image Styling Salon as the Gifford Family celebrates 30 years in business.

Our journey began 30 years ago. What started as a dream to own a salon became a reality in 1987. Newly married, young, and really having no clue about business, Mike and I opened our first location. We have moved twice and are now in our forever spot at Bon Aire Plaza. Our son Corey has grown up in the business and his wife Lindsey is a stylist at the salon. Our granddaughter already loves to have her hair and nails done and she enjoys helping out by sweeping the floors. It's been a roller coaster ride, but along the way I have met so many wonderful people. I am so thankful for our customers and my incredible (and incredibly talented!) staff. The business is constantly growing and changing, so I'm excited to see what this year has in store!

The best salon I have EVER been to! I've tried multiple places around Butler since I moved here a year-and-a-half-ago and none of them even compare to Double Image. I will never go anywhere else! They are awesome!

Absolutely love this salon! I've been going there for years and I have never had a bad experience! This is the first salon that's I've actually returned to regularly because I am very picky. I've gotten perms, dyes, cuts, waxes, and used their tanning beds and love them all! Keep up the great work, girls!

I have been a customer long enough to see the salon go through an expansion, which tells me a) they are successful in what they're doing, and only growing, and b) they take the feedback and input received from their customers seriously. I am proud to say that I go to Double Image Styling Salon.

Definitely a five-star salon... Now that I am retired & travel so much I appreciate them even more!
